

Master's-Level Psychotherapist

The provider is required to do the following:

- Work in a certified mental health clinic as required under HFS 61.91-61.98, Wis. Admin. Code (which meets Wisconsin Medicaid's HFS 105, Wis. Admin. Code, requirement).
- Have a clinical social worker's license, a marriage and family therapist's license, or a professional counselor's license from the Department of Regulation & Licensing (DR&L) **or** a Provider Status Approval Letter issued by the Division of Quality Assurance (DQA).
